City of Reading 2017 Fall Hydrant Flushing

It's time for the City of Reading Public Works to flush all fire hydrants. This process removes iron deposits from the water mains and ensures that hydrants are working correctly. The flushing may cause temporary water discoloration. Please check for discolored water before doing any laundry during the dates the hydrants are being flushed. Flushing will be done between the hours of 7:00 am and 3:30 pm October 3rd-6th, 2017 and also October 10th-13th, 2017.

Questions or concerns please call the Department of Public Works at 517-283-2835.
